Free Remedy For
Weak Bowels

There are two forms of bodily
cleanness, the external and the
internal. The one is for your pride in
yourself; the other for your life and
health. Both are important, but of
vastly more importance in the long
run is the internal cleanness.
This is one point that all should watch
about their body—the cleanliness of the
bowels. Keep them clean and free from
obstructions. To do this you must have
one or two movements of the bowels
each twenty-four hours. If your system
does not do this naturally, in the process
of eating and drinking, then you must
obtain aid of some kind. After finding
out that cathartics, salts and such things
relieve you for a day, but bind you up
worse than ever the next day, then try a
simpler and more natural remedy like
Dr. Caldwell's Syrup Pepsin.
For the skeptical the best way to be-
gin is to send your name and address to
Dr. Caldwell for a free sample bottle.
Use it as directed and if it convinces
you that a brief continuance of its use
will relieve you permanently—that it will
train the stomach and bowel muscles to
again work naturally at certain hours—
then buy it of your druggist at fifty
cents and one dollar a bottle, just as so
many others are doing. They began with
a sample bottle, then bought a fifty cent
bottle, and now, fully convinced of its
merits, they buy the one dollar family
size. All the members of the family can
use it down to the very youngest.
A brief use of this grand laxative tonic
will cure constipation in its worst form,
indigestion, liver trouble, sick headache,
sour stomach and such ailments and keep
you in continuous good health at a very
small cost. Such is the experience of
many families like that of Mrs. Oscar
Fleener, Unionville, Ind. J. F. Daniel,
Saron, Tex., and hundreds of others that
could be named.
To give you any medical advice you may
desire for yourself or family pertaining to
the stomach, liver or bowels absolutely
free of charge. Explain your case in a
letter and he will reply to you in detail.
For the free sample simply send your
name and address on a postal card or
otherwise. For either request the doctor's
address is Dr. W. B. Caldwell, R. 507 Cal-
dwell building, Monticello, Ill.
J. JAS. WOOD & SON, Druggists, Maysville.

of forty miles an hour the C. and O. Fast Flyer
jumped the track this side of Russell—caused
by rails buckling—doing considerable damage
to Pullman cars, but fortunately no one was
killed. The train arrived here several hours
late.

TUMOR OF
YEARS
GROWTH

Removed by Lydia E. Pink-
ham's Vegetable Compound

Holly Springs, Miss. — "Words are
inadequate for me to express what
your wonderful med-
icines have done for
me. The doctors said
I had a tumor, and I
had an operation,
but was soon as bad
again as ever. I wrote
you for advice, and
began to take Lydia
E. Pinkham's Vege-
table Compound, and
as you told me to
do, I am glad to
say that now I look
and feel so well that my friends keep
asking me what has helped me so
much, and I gladly recommend your
Vegetable Compound." — Mrs. WILLIE
EDWARDS, Holly Springs, Miss.

One of the greatest triumphs of
Lydia E. Pinkham's Vegetable Com-
pound is the conquering of woman's
dread enemy—tumor. If you have
mysterious pains, inflammation, ulcer-
ation or displacement, don't wait for
time to confirm your fears and go
through the horrors of a hospital op-
eration, but try Lydia E. Pinkham's Vege-
table compound at once.
For thirty years Lydia E. Pinkham's
Vegetable Compound, made from roots
and herbs, has been the standard remedy
for female ills, and such unques-
tionable testimony as the above proves the
value of this famous remedy, and
should give everyone confidence.
If you would like special advice
about your case write a confiden-
tial letter to Mrs. Pinkham, at
Lynn, Mass. Her advice is free,
and always helpful.
